

Virtual Machine License Registration

Virtual Machine (VM) is a separate license independent of other hardware appliance. There are different types of VM licenses available from Fortinet for which, you could get in touch with your Fortinet Vendor or refer this link <https://www.fortinet.com/partners/partnerprogram/find-a-partner.html> to find one in your location.

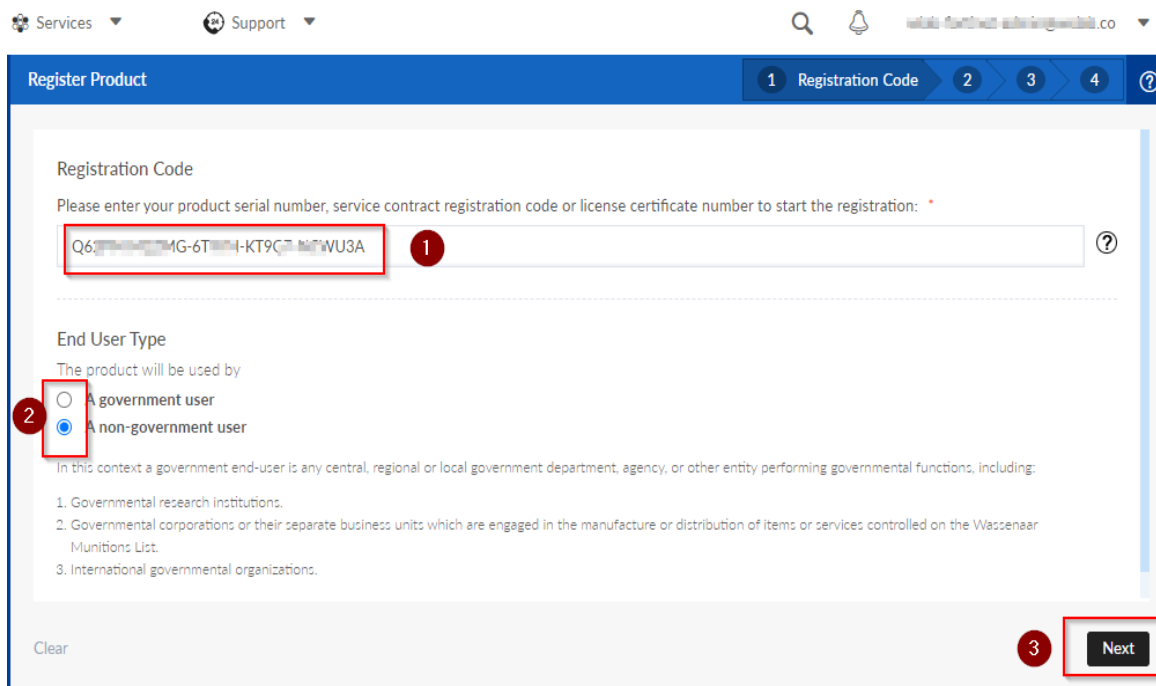

To register your VM license:

1. Login to <https://support.fortinet.com> with your account ID/email and password
